

CORPORATE PARTNERSHIP PROGRAM

We look forward
to working
together to reward
your dedicated
employees for a
job well done! Let
us personalize a
package for you,
your employees
and their families
to enjoy.

Many businesses have large events for their employees throughout the year at the Orr Family Farm. We really appreciate and enjoy these events; however, we recognize that not all businesses can or want to organize a large event away from the office.

The corporate partnership program allows a business to partner with the Orr Family Farm by purchasing discounted admission passes for their employees.

The Orr Family Farm will sell discount admission passes to businesses that will then have the option to pass all, part or none of the cost to their employees. It is a great way to reward your staff!

The advantages of this program include:

- Gives the business the opportunity to reward employees at a low cost.
- Helps employees to save their hard-earned money.
- Builds goodwill among employees.
- Builds stronger families.
- Businesses can share the expense with their employee, which saves money for both parties.

DETAILS

If a business purchases a Farm Fun Pass admission for their employees, Orr Family Farm will discount the purchase price as follows:

SPRING (\$12.49 VALUE)

Admission passes purchased	Cost to employer
25-50	\$9.99 each
51-100	\$9.37 each
101+	\$8.74 each

***All prices include tax.**

FALL (\$17.32 VALUE)

Admission passes purchased	Cost to employer
25-50	\$12.95 each
51-100	\$11.95 each
101-300	\$10.95 each
301+	\$9.95 each

Some businesses elect to pay the discounted rate for their employees and their families to visit the Orr Family Farm. Other companies choose to pay the discounted rate to the Farm and then resell the admission passes to their employees at a further discounted rate.

For example: ABC purchases 50 Farm Fun admission passes for \$9.99 each in Spring. ABC then sells those admission passes to ABC employees for \$5 each. This allows the employee and their family to visit and enjoy the Farm for only \$5 per person, a savings of more than \$7.49 for each pass. ABC gets the goodwill of providing a \$12.49 value to their employee for only \$5.
