"When it comes to corporate events, there's no place like the Orr Family Farm! The entire staff worked really hard to give all my guests a fun and memorable experience! Their professionalism, preparation and attention to detail allowed me to simply enjoy a day with friends and co-workers. I couldn't have trusted anyone else with such an important day. I would highly recommend them for any event you have."

Chandra Goodson

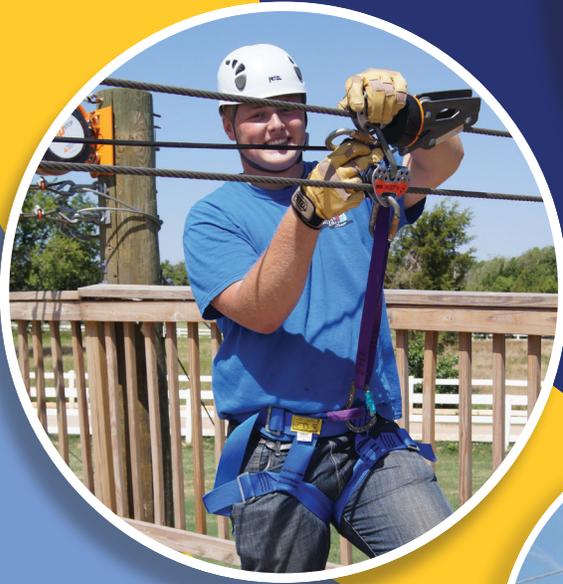

Director of Marketing, Focus Federal Credit Union

"If you're looking for a venue that accommodates all ages, Orr Family Farm is the place! In 2017 AAR held our Annual Family Fun Day at the farm and couldn't have been more pleased. From the zip line to the petting zoo, there is fun for everyone. I have been involved in the planning of our company picnics for 20 plus years and I can honestly say, they were the most accommodating and welcoming bunch I've ever dealt with. Shanain and the entire staff goes over and above to make everything run smoothly and help in any way needed. I would definitely recommend Orr Family Farm for any outings."

One of the most popular attractions is the Orr Family Farm train, named the Jupiter. The Jupiter is a third-sized replica of the United States' first transcontinental locomotive, the famous Jupiter. The train will comfortably hold 100 children and adults and takes riders on a 15 minute ride around the Farm.

The Orr Family Farm hosts a variety of special seasonal events including a fall maze, hay rides and pumpkin patch in the fall, trick or treating, an Easter egg hunt, fun with Santa events, a Mother's Day event and more!

The Farm can accommodate corporate gatherings, groups, birthday parties and school field trips as well as weddings.
